NATIONAL SEMINAR CUM WORKSHOP

ON

MILLETS IN ANIMAL NUTRITION : POTENTIAL AND FUTURE SCOPE

September 7-8, 2023

NSWANA-2023

Organized By

Department of Animal Nutrition

Post Graduate Institute of Veterinary and Animal Sciences, Akola
Maharashtra Animal and Fishery Sciences University, Nagpur, India

&

Animal Nutrition Association

ICAR- Indian Veterinary Research Institute, Izatnagar (U.P.), India

INVITATION

DEAR COLLEAGUES AND FRIENDS,

It is my immense pleasure to invite you all to participate in National Seminar cum Workshop on "Assessing Potential of Millets in Animal Nutrition for Augmenting Livestock Health and Productivity" jointly organized by Department of Animal Nutrition, Post Graduate Institute of Veterinary and Animal Sciences, Akola (M.S.) during **7-8 September 2023** and Animal Nutrition Association, ICAR-IVRI, Izatnagar (U.P.) at PGIVAS, Akola. During this event all areas of Animal Nutrition, viz. nutrient related aspect of ruminant and non-ruminant animals, feed formulations related aspects and techniques, information on feed resources with its nutritive content mainly highlighting potential of millets will be shared and discussed by recognized scientists and experts in this field. Millets hitherto seen as human food, can be exploited as ingredient in Animal Nutrition; such as source of low starch carbohydrates, dietary fibres (prebiotics), functional foods for non-ruminants and nutritionally fortified green fodder as well as enzymatically treated dry fodder for ruminants.

I take this opportunity to invite fellow academicians, galaxy of scientists, field veterinarians, practitioners, farmer entrepreneurs, research scholars, consultant companies and students from different parts of our nation to actively participate in this National Seminar cum Workshop to make it a successful event.

Dr. L. C. Chaudhary
President
Animal Nutrition Association
lcchaudhary1@rediffmail.com

The Venue

Welcome to Akola, also known as the 'Cotton and Lemon City of India' due to its high cotton and citrus production. The district is also famous for its various shimmering rivers, gorgeous winters, sprawling forts, and Raj Rajeshwar Mahadev temple. Akola district is surrounded by Melghat Hills and forest region.

This National Seminar cum Workshop will be organized at City Sports Club Resort (CSC). It is located 8 km away from Akola city. CSC is spread over a sprawling stretch of lush green lawns. It features well equipped conferencing and banqueting venue.

Local Tour

Lonar lake

Lonar Lake, also known as Lonar crater, is a notified National Geo-heritage Monument, saline, soda lake, located at Lonar in Buldhana district, Maharashtra, India. Lonar is situated around 100 km from Akola and 360 km from Nagpur. Lonar lake is an astrobleme created by a meteorite impact during the Pleistocene Epoch. It is one of only four known hyper-velocity impact craters in basaltic rock anywhere on Earth.

Shegaon

Shegaon has become a pilgrimage centre due to the blessings of Shri Sant Gajanan Maharaj, who is considered a saint and partial reincarnation of Lord Dattatreya. Visiting Gajanan Maharaj Temple at Shegaon is very gratifying and spiritual experience. Excellent and selfless services are provided by the devotees. It is the largest temple trust in the Vidarbha region and is known as the "Pandharpur of Vidarbha". Shegaon is located 46 km from Akola and 300 km west of Nagpur.

CONFERENCE PROGRAMME

The event will be held for two days and will comprise of lead papers, poster presentations, scientific sessions, exhibition of varieties and products of millets as well as Farmers-Scientist-Industry interface meet for assessing potential of millets in animal nutrition for augmenting livestock health and productivity. Scientific programme consists of technical and plenary session. The sub-themes of the programme are: -

TECHNICAL SESSIONS

Seminars

- Theme I** : Millets in animal nutrition and feeding
- Theme II** : Improved millet feed and fodder for enhanced animal production

Posters

- Theme I** : Ruminant nutrition & feed resources.
- Theme II** : Non-ruminant nutrition
- Theme III** : Nutrigenomics and clinical nutrition approaches for health, production and reproduction
- Theme IV** : Novel feed additives & supplements

Plenary & Valedictory Session

SUBMISSION OF ABSTRACT

Extended abstract of the research paper (s), with title, name (s) of author(s), address of the institution, keywords, introduction, materials & methods, results & conclusions not exceeding 500 words, with 1.5 line spacing and 12 font size in Times New Roman, must reach the Organizing Secretary on or before **15/07/2023**.

POSTER PRESENTATION

Only invited keynote lectures will be presented orally on PPTx. format. Poster(s) should be prepared of 4' (L) X 3' (W) size on flex material with title, name of authors, affiliation, objectives, materials & methods, results and conclusions.

AWARDS

Best poster awards in each session will be bestowed.

Worth to Visit

Exhibition of varieties and products of millets.

ACCOMMODATION

Accommodation for delegates will be arranged in private hotels preferably at Conference venue i.e., CSC Resort, Akola. The tentative tariff will be Rs. 3000-6000/- per double room per day. However, budget hotels with a tariff of Rs. 1500-2500 may be arranged or directly booked through online mode. For students, accommodation will be arranged in Farmers Hostel of Dr. PDKV, Akola on payment basis at minimal charges.

Transport

Akola is well connected by road and train from different parts of the country. The nearest airport is Dr. Babasaheb Ambedkar International Airport, Nagpur. Akola is 276 km from Nagpur and 570 km from Mumbai. The distance from Akola railway station and Bus stand to City sport club is about 10 km.

Weather

The weather in Akola in September is pleasantly warm with a gentle breeze with an average temperature between 21° to 30°C.

Registration

All the delegates have to register themselves by paying the registration fee as detailed below:

Category	Registration Fees(INR)
Delegates	4000
Accompanying persons	2500
Students	2500

Registration fee payment can be made by using NEFT. or D.D. drawn in favor of "Organizing Secretary, NSWANA 2023" payable at Akola.

The Bank Details are given below :-
